SHARPLINE PRODUCTS SHINE ON THE 2011 EUROPEAN POWERBOAT OF THE YEAR

The international award for “European Powerboat of the Year 2011” was recently announced at the opening weekend of the recent Düsseldorf Boat Show 2011. This annual award is made by a specialist jury consisting of the editors-in-chief of the seven leading European powerboat magazines. The judges test all innovative products from the powerboat industry over the previous 12 months.

Quicksilver Activ 675 Open - The 2011 “European Powerboat of the Year” (30 ft. and under class)

The Quicksilver Activ 675 Open is manufactured by Brunswick Marine in EMEA Inc., an affiliate of Brunswick Boat Group headquartered in Knoxville, TN.

Sharpline Converting, Inc. is a longtime supplier to Brunswick Marine and provides dimensional graphics, striping and branding elements for the Quicksilver Active 675 Open and other models.

- SL24™ Quicksilver hull name badges
- Crystal Cap™ XTR carbon fiber dash panel
- Activ 675 model names and water line striping
