

Flashback

Sharpline's Flashback™ kit incorporates classic automotive styling with modern manufacturing technology, giving you a retro-styled graphic so cool you'll think Eisenhower is still in office.

Each Flashback™ kit includes a set of "retro-fins", three "side molding" style graphic panels per side, as well as set of both "Classic" and Chevrolet "Bowtie" Crystal Cap™ logos. By using the side panels in different combinations, Flashback™ can be installed on any car, truck, or SUV, regardless of overall length.
