

# OE **MUSCLE**™

Enhance the appearance of popular sport coupes and sedans with Sharpline's offering of OE Muscle™ graphic kits. OE Muscle™ kits provide stylish and durable graphic packages that provide a modern twist to classic American muscle-car graphic designs.

The DC Muscle™ Mini Upper Stripe kit is a retro-styled design for placement on the upper rear quarter panel of the featured vehicle below. These kits are available in most of Sharpline's standard automotive colors. There are 4 versions of this kit:

#1186 shown here

- 1186 2.7" x 48.2" DC Muscle™ Mini Stutter kit
- 1187 2.7" x 48.2" DC Muscle™ Mini Upper D kit\*
- 1188 2.7" x 48.2" DC Muscle™ Mini Upper C kit\*
- 1189 2.7" x 48.2" DC Muscle™ Mini Upper H kit\*

\*These kits have specialty names cut into the graphic panel.

The DC Muscle™ Rocker Studder Kits are for placement on the rocker panel between the wheel wells.
