DYNAMIC GRAPHIC STYLING Unique front-to-rear stutter-fade pattern blends with a carbon fiber design element. CarbonFade™ has many application possibilities for every vehicle body style.

EASY TO APPLY Advanced print technology produces CarbonFade™ in continuous-print rolls, available in 7/8" and 2" wide sizes in -55 Black and -70 Gray Metallic. One pair of 25 ft. long rolls are provided to create matching designs on both driver and passenger sides.

VERSATILE The CarbonFade™ pattern is printed on clear, high-performance vinyl that integrates the vehicle color with the graphic design for a subtle accent that has wide appeal.
